Fare clic sul pulsante con il punto nero sotto i pulsanti di zoom + e - sulla mappa.
 Il cursore diventa una croce
 Fare clic e trascinare per impostare le dimensioni dell'area della campagna sulla mappa.

The screenshot shows the campaign creation interface. On the left, there are input fields for City (Zaragoza), Address/District (Calle Conde de Aranda 2, El Tub), Postcode (50003), Latitude (41.654651), Longitude (-0.884979), and Radius (396m). The main area is a map of Zaragoza with a blue circle highlighting a specific area. On the right, there are settings for the campaign: Points distance (79m), Campaign Target (Participants and Measurements), and Campaign Gamification (Off/On). A red box highlights the 'Participants' and 'Measurements' settings, with a red arrow pointing to the text below.

È inoltre possibile aggiungere partecipanti e misure

- Appare un cerchio blu
- Selezionare la distanza dei punti e fare clic sul pulsante Esegui motore per visualizzare i punti di misurazione.
- Terminare per riempire tutti gli spazi vuoti
